RE: Order

Dear Bill:

It was nice speaking with you several weeks ago!

I would like to order some additional ballast as I make steady progress on my new layout:

Check enclosed

I included postage for a USPS flat rate box - I checked and the items listed do fit in the box I just picked up from the post office.

If you can ship this way fine, if not let me know the additional amount and I will promptly send you a check.

Thanks for making this great product available!

Best regards,
