

Thanks for your order!

As with all the prints – there are no instructions – it's all about rolling your sleeves up and having a go.

You can always watch John's 'how to' videos – they'll always point you in the right direction.

As with all the prints, you can print as many as you need, so don't be afraid to get creative.

Don't forget to send me a pics when you're done!

Scroll down for the print.

Best
