2021 Annual Club Cars

Lionel Long Island Scale MOW Cars

The Nassau Lionel Operating Engineers is pleased to **announce the addition of a scale MOW Kitchen car with rail sounds** to complement our recently announced 2021 Long Island MOW Bunk and Tool cars. Designed to commemorate the hard-working train crews that built our railroad over the years. This car was designed by NLOE with Lionel. This is a unique set that will complement both steam and diesel consist. The perfect addition to your work train or as a trackside scene, our cars feature LED illumination.

- Interior illumination
- Die-cast trucks and couplers
- Easy conversion to scale couplers
- Rail Line: Long Island
- Road Numbers: 83211, 83212 and 83213

- Gauge: O Gauge
- Scale Type: Scale
- Brand: Lionel Trains
- Power: Electric
- Min Curve: O31
- Dimensions: 11 1/4"

Kitchen Car

- Plays realistic train sounds while moving and camp scene dialog while stationary.
- Volume Control
- Max/Min Switch

Only 200 of these cars are being produced. Orders are first come / first served basis. The approximate delivery time will be late 2021. As part of your purchase, you will automatically be enrolled as an Associate Member of the NLOE.

You can order on-line at <https://nloe-store.onlineweb.shop> (incurs PayPal surcharge), or by mail with check or money order. See reverse side for ordering form.
