O Scale Valley Motors Car Dealership (279-6396) ... \$129.99

An auto dealership is a natural focal point for any town. Seeing the latest cars and trucks generates foot traffic and launches a million dreams of rolling down the road in a spanking new vehicle. Valley Motors will add a little pizzazz to your O gauge Menardsville with colorful vehicles and bright lights!

Valley Motors features a pleasing Art Deco design with a curved showroom, a vertical, illuminated dealership sign rising 8 inches above the base. The vertical sign comes with 11 automotive signs that allow you to easily swap out your dealership if you wish. The showroom may also be customized by removing the rear access hatch, allowing you to change vehicles and to add office details of your choice!

A rotating rooftop turntable is mounted on the roof. It features a Ford panel van with V-8 graphics. In all, five colorful 1:48 scale die-cast vehicles are included. These are officially licensed 1948 and 1951 Ford models, and are exclusively made for Menards. Additional details include seven 1:48 scale figures, showroom interior, rooftop HVAC equipment, and Jack the German shepherd.
