O Scale Sunoco® Station (275-9288)

The Sunoco® Station is a terrific rendering of a classic mid-century service station. It is fully assembled and decorated, complete with interior and exterior illumination, gas pumps, service bays, and two licensed die-cast metal vehicles—a 1951 Ford® pickup truck and a 1948 Ford® panel truck.

You'll find brilliant Sunoco® graphics, including the traditional yellow diamond logo, and a Sun Oils billboard on the back. Beneath the station's overhang are three old-school gas pumps with globes decorated with Sunoco® graphics. These are made the focus of attention from LEDs carefully positioned above.

There are two service bays—one for lubrication and the other for tires.
