2014 LIONEL SPRING PRICE GUIDE

WORLD'S LARGEST LIONEL DEALER

NEW 2014 LIONEL CATALOGS

Dear Valued Customer,

Lionel has released three new catalogs:

- 2014 "Ready To Run"
- Lionel 2014 Signature Edition
- 2014 American Flyer S Gauge

**PRICES SHOWN ARE CURRENT AT TIME OF PRINTING
AND ARE SUBJECT TO CHANGE WITHOUT NOTICE.
PLEASE CHECK OUR ON LINE STORE FOR CURRENT PRICES.**

These catalogues containing many new exciting items so please take time to read each catalogue in detail. Whether you are a collector, a runner or just want that perfect gift, there is something for everyone.

NEW ORDERING PROCEDURES FROM LIONEL

You should be aware that Lionel has changed some of their ordering procedures. As you can see in this price guide, some items are marked (BTO). This means "Built-To-Order." Lionel expects us to order by May 24th and they will build to the quantity we order. So what does this mean for you - it means you should order these items by May 20th so we can include your order with ours. There is no reason not to preorder - you get early buy pricing and we don't charge your credit card until it ships. We will be ordering a few extras but they will go fast so if you miss the ordering deadline give us a call and we will let you know at that time if we can supply the item.

ORDER NOW FOR BEST PRICING

You can call in your order or order on line. Remember - order now to get the early buy prices. If you order now, we do not charge your credit card until the order ships so take advantage of the Early Buy pricing and "lock-in" delivery of the product.

YOU DON'T HAVE TO PAY FOR YOUR ORDER UNTIL IT SHIPS

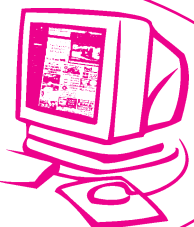

When reading the catalogs, please remember there are some "misprints" in the catalogs - some item numbers and retail prices are incorrect. Please use the item number in this price guide when ordering.

There will be a Christmas Catalog in June.

We look forward to hearing from you.
Happy Railroading!

Charlie
