

Celebrating the Texas & Pacific Railroad

NEW!

Above: GP9 units 1132, 1133 as delivered.

The T&P may have been the most popular road produced for S gaugers in the 1950s as the Swamp Holley orange engines were made for 4 years running. We are making these available in our new GP9 DX version with added window glass, painted railings and all parts assembled. Also the T&P freight cars shown below enhance the line up. Shipping in November 2014. (Cars are available in multiple number variations).

The T&P GP9s 1135 and 1136 are also available in their "as delivered" blue and gray scheme.

4436 T&P Gondola

3277 T&P Coal Hopper

6027 T&P Flat car

NEW!

1153 T&P Box car

6027TOFC Flat w/ Trailer

7533 T&P Wood Caboose

We commissioned a world class firm to superbly decorate these locomotives in the original delivered phase 2 paint schemes. (From EMD in 1957).
