Dakota™

Cabinet Factory 10"W x 18"L x 9"H 279-2678

\$109 each

Prebuilt, prelit and ready to go! The Dakota Cabinet Factory is beautifully hand painted and weathered. It is constructed mainly of wood and stands sturdily on a rigid platform. This O scale building is full of unsurpassed detail such as a realistic-looking coal heap and sawdust on the rooftops. Other details include a storage shed, lumber, crates, trees, workers and Jack the German Shepherd.

This cabinet factory features a lit and animated Sherwin Williams Paint sign that has two unique lighting patterns. The exterior is also illuminated by two amber-colored LED lights. This building uses standard 4.5 volt power, our SKU# 289-4005 (sold separately).
