**Introducing the Brand New Green Bay and Western Boxcar!** 279-2635

- Sequentially numbered
- Die-cast trucks with metal wheels and operating couplers
- Navigates O-27 curves
- 10.5"L x 3.25"H

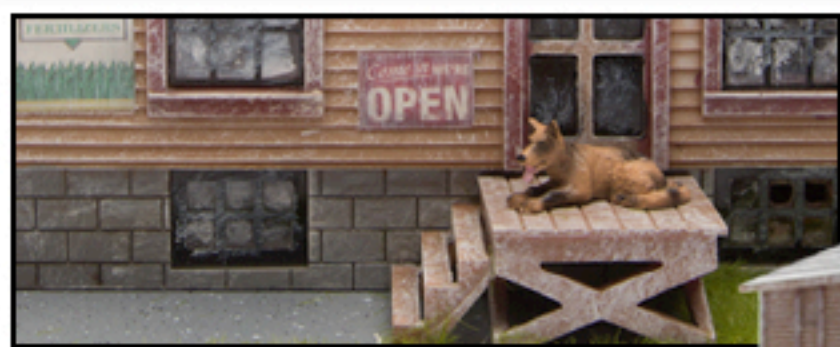

**GBW  
6549**

This Green Bay and Western boxcar features premium metal trucks and operating couplers. Each car is finely detailed and sequentially numbered so that no two are the same! The box of this car is gray and the roof and both ends are burgundy. This boxcar has sliding doors and detailed logos from the Green Bay Route. This boxcar will be an excellent addition to your train collection!

**Seed & Feed**

11.5"W x 12"H x 14.5"L 279-0838 **PRELIT, PREBUILT & READY TO GO!**

Take a look at our biggest and best O Gauge building yet! Constructed of resin and hand painted, the Seed & Feed contains all sorts of added details. Each of its four sides are adorned with authentic vintage advertising. This Seed & Feed building has (2) LED exterior wall lights and (1) interior LED elevator room light that blinks red. In addition to that, you'll see an O Gauge feed truck with working headlights parked out front. (4) figurines are also included, along with Jack the German Shepherd who completes the Seed & Feed building. This building is limited edition so supplies are limited. Lighting requires standard 4.5 Volt power, our SKU# 289-4005 or 289-4002 (sold separately).

Rebate is in the form of a merchandise credit check that can be used at any Menards store. Merchandise credit checks cannot be used for online purchases. All train items are while supplies last. First come first serve. Shipping and handling charges will be calculated based on your order total during the checkout process.
