1:50 Scale Diecast

Ertl Tomy 45432 1:50 Scale John Deere 210GLC Excavator Prestige Edition

This is a very nicely detailed diecast 1:50 scale model of the John Deere 210GLC excavator. The model was produced by Tomy. The model has a movable scoop and metal tracks as shown. This model could be used as a flatcar load or as a trackside MOW construction vehicle for O scale layouts.
