"Service with a smile" is exactly what you'll get when you stop by Wally's Service Station!

Wally's Service Station is prebuilt, prelit and ready to go! It features a revolving Shell sign which is illuminated from below and shines spectacularly. This motor-driven sign is reminiscent of a golden age where porcelain signs were so popular.

This structure contains over 30 LED lights, including 6 gas pumps with prelit globes, and sits upon a beautifully weathered base. Additional accessories include 3 workers, a soda machine, handcart, trashcans, several stacks of tires and Jack the German Shepherd.

Let Wally and his crew fill up your tank and check under the hood.
