

QUESTIONS-ANSWERS

We present the illustration from that issue, above.

Ray notes, "The RadioShack DPDT switch I used in 1991 is no longer sold, but RadioShack's no. 275-709 will do the trick. This duplicates the functions of the original RCS/UCS."

Thanks also to Wiley Starnes and Henry Schoppmann for their comments on the no. 6019 and their suggestions for better operation!
