Welcome to the Everett Railroad, a small independent railroad located in the borough of Hollidaysburg, near Altoona, Pennsylvania. Our trains operate select weekends throughout the year and we feature holiday and event themed rides.

Among the fan favorites are the ever popular "Easter EGGSpres", "Pumpkin Patch", "Santa Express", and "Ice Cream Special" train excursions.

Our 1920's steam locomotive, "Old Number 11" pulls the majority of our event trains. Our vintage passenger cars have functioning windows to allow for a summer breeze and are heated in the winter. Group rates available and charter inquiries welcomed.

See you at the depot!
