

# NE Ohio O Gaugers— Sat., Nov. 23, 2019

**Not a  
club??...**

...but a casual group of train hobbyists from Northern Ohio into Pennsylvania, doing what we love: learning about, running and building *big rugged trains*.

*Model railroading in O Gauge, and O Scale:*

*Toy Trains*

*Realistic “hi-rail” model railroads*

*Fun at 60 cycles AC!*

**“There’s no rail...  
like 3-rail”** 

**440-478-8208**

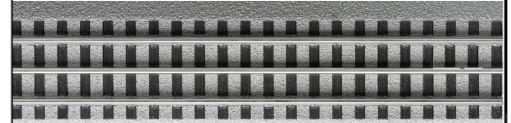

Medina is west of Akron, at the intersection of OH Rt. 18 and Interstate 71. From Cleveland and Akron, and Lake County, follow I-71 South. From PA— take I-80 or PA Turnpike I-76 west to I-76, then 76 to I-71 Lodi, and south on I-71. ALL: I-71 south to exit 216, then west a couple of hundred feet to Denny’s Diner.

**NEXT**

**Sat. Nov. 23**

**NE Ohio Gauge  
Railroading Meet-up:**

**NE OHIO GAUGERS**  
There's no rail like 3-rail.

Find us on Facebook

**STEEL!!!**

**9:30 AM: Meet at Denny’s**

3105 Medina Rd. (Rt. 18 at I-71 Exit 216),  
Medina, OH.

**Then tour Nick Pandolfi’s layout**

Cell is 216-346-8620

Steam locomotives and diesels operating in a steel production theme.  
Scratch Built Blast Furnace is the centerpiece of this great layout!!

**PLEASE let us know you are coming!!**
